

Finding Full-Text Articles Worksheet

Updated 8/28/09.

Using the Journal Locator Tool

Use the Serial Solutions Journal Locator tool to find out where you can get the full-text of the following article: *You're Driving Me Crazy* by Jay Dixit from the March/April 2009 issue of *Psychology Today*.

1. From the library's home page, click on the **Journal Locators** link under the *Find Information* section.
2. When the main *Journal Locators* page appears, type **psychology today** in the *Title begins with* search window. Press the <Enter> key or click on the **GO** button to execute the search.

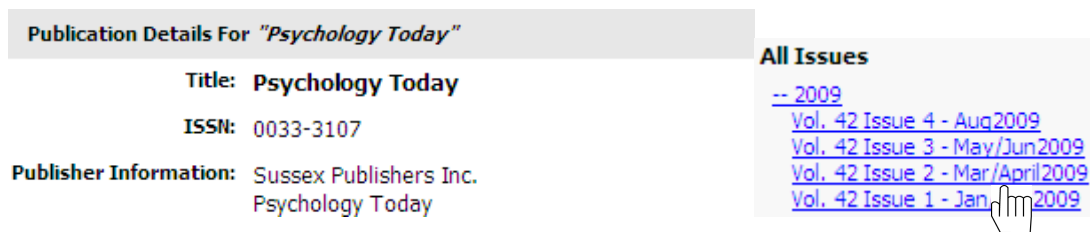

3. When the results screen appears, review the information.
4. **How many years back** does the Downtown & Parham Campus Libraries hold for the **print copy** of *Psychology Today*?

Downtown Campus: _____

Parham Campus: _____

5. The full-text of *Psychology Today* is also available **online** through several of the library's research databases. What **range of years** is the full-text available **online** for most of the databases listed?

6. From this Serials Solutions result list, click on **Academic Search Complete**.
7. When the *Academic Search Complete* Publication Details screen appears for *Psychology Today*, click on the **+2009** link. When the individual issue links for 2009 appear, click on the **March/April 2009** issue.

8. What is the total number of results (articles) found for this issue?

9. This is too many results (articles) to browse through to find the article, *You're Driving Me Crazy*, by Jay Dixit. Go to the 2nd search window near the top of the screen and type **driving me crazy**. Press the <Enter> key or click on the **Search** button to execute the search.
